

## NETWORK OLYMPUS

### END USER LICENSE AGREEMENT

This license agreement is a legal agreement between you (the end user, either as an individual or an organization) and Softinventive Lab. The software "NETWORK OLYMPUS" and any of its supporting documentation are hereinafter referred to as the product.

By installing and using the product, you indicate your complete and unconditional acceptance of these terms and conditions, as well as of the terms and conditions of all third party products included in this product. If you do not agree to the terms and conditions of this agreement, then promptly remove the product (including the associated documentation) from your computer.

If any provision of this agreement is found to be unlawful or void then that provision shall be severed from this agreement and will not affect the validity of the remaining provisions.

### GENERAL

As part of our services, Softinventive Lab agrees to provide freely downloadable evaluation versions of this software. Softinventive Lab agrees to provide this service free of charge. You agree to use the service in accordance with the License Agreement.

Softinventive Lab may amend or modify this License Agreement at any time.

The information contained in the product is subject to change without notice and does not represent a commitment or contracted obligation on the part of Softinventive Lab.

### EVALUATION LICENSE

This product is distributed as shareware. This license agreement grants you non-exclusive rights to use the product without functional limitations for an evaluation period of sixty (60) days from the date you install and run the product for the first time. On the sixty-first (61) day after you installed the product or if you purchase and register a Commercial License, the Evaluation License will expire and the product will stop operating as the evaluation version and switch to its free or fully licensed version.

### FREE LICENSE

After the end of the evaluation period, the product will receive some functional limitations, namely: the number of devices that can be monitored will be limited to 10. If you wish to remove this limitation, then you must register the product by means of purchasing a Commercial License from Softinventive Lab.

This license agreement grants you non-exclusive rights to use the product's free version without any time limitations. This license also includes time-unlimited free updates.

### COMMERCIAL LICENSE

After you purchase a Commercial License from Softinventive Lab for this product and register it using the obtained license key, this license agreement grants you non-exclusive rights to install a copy of this product on a single computer to monitor a number of local and remote devices that may be limited by the license type. The number of sensors used for monitoring is unlimited.

The following types of Commercial License exist: for 25 devices, 50, 100, 200, 300, 500, 700, 1000, 1500, 2000, or Unlimited.

A copy of the product registered with the Commercial License can be used only by the person, or by the staff of the organization, that they are registered to (including affiliated and subsidiary companies).

Period of validity of the Commercial License is unlimited. This license also includes time-unlimited free support.

When you need to increase the number of devices allowed by the license, an upgrade can be purchased.

You may make a single copy of the software only and no other part of the product in a machine readable form for backup use only.

This License Agreement (including the product) is not transferable. You may not lend, loan, lease, rent, sell or distribute the product (or copies) in any form, except for reselling, when the license key is registered immediately to the end-user company name. Also the license can be re-registered if the licensee company is taken over by another company.

## COPYRIGHT NOTICES

The software product is owned by Softinventive Lab. All rights in the product including License Agreement Number, copyrights, licensing rights, patents, trademarks, trade secrets, design rights, engineering rights, moral rights, and any other intellectual property rights belong to Softinventive Lab. These rights are not transferred as part of this agreement.

## LIMITATIONS OF USE

You are expressly forbidden from making alterations or modifications to, merge, adapt, decompile, disassemble, reverse engineer, or attempt to discover the source code without the expressed written permission from Softinventive Lab. You are expressly forbidden from using any part of the product in life saving or life critical applications without the expressed written permission from Softinventive Lab.

## LIMITATIONS OF LIABILITY

Under no circumstances, including, but not limited to, negligence, shall Softinventive Lab, its subsidiary and parent companies or affiliates be liable for any direct, indirect, incidental, special or consequential damages that result from the use of, or the inability to use, Softinventive Lab product or services. In addition, you release Softinventive Lab and its affiliates from any damages that you incur, and agree not to assert any claims against them, arising from your use of its products or services.

## DISCLAIMER

Softinventive Lab does its best to provide defect-free product and does not introduce defects deliberately, but it does not warrant that the functions contained in the materials will be uninterrupted or error-free, that defects will be corrected, or that the company website, including forums and bulletin boards, or the server that makes it available, are free of viruses or other harmful components.

To the fullest extent permissible pursuant to applicable law, the company also disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose.

## PRIVACY

If the user contacts Softinventive Lab by completing a feedback form in the software product, basic license and installation information about this product is also sent to us.

This product does not contain integrated mechanisms of transferring device information or other sensitive data outside of the user's network.

Softinventive Lab will not sell, distribute, or lease any personal information that you choose to provide us to third parties unless we have your permission or are required by law to do so. We may use your personal information to send you promotional information that we think you may find interesting if you have previously informed us that you would like this to happen.

To learn how we collect, use and protect your information, please review the full Softinventive Lab privacy policy which you can find on our website: <https://softinventive.com/privacy/>
